HARDIK SAHU

Bengaluru, India | +91 7000641226 | hardikprithusahu@gmail.com | Hardik Sahu

Customer Success | Account Management | Client Operations

Professional Summary

Customer success professional with 9+ months of B2B client-facing experience across healthcare and SaaS, plus 6 months in e-commerce operations. Resolves 50+ client queries daily within strict SLAs (sub-30-second first response, 15-minute resolution) while sustaining a 4.6/5 CSAT. Experienced in post-sales account management, renewals, onboarding and escalation handling, and in partnering with cross-functional teams to fix root causes. Pairs clear client communication and FMCG stakeholder management with a data toolkit in Excel, Power BI and SQL.

Professional Experience

Even Healthcare | *Customer Experience Associate, B2B* | Bengaluru Apr 2026 – Present

- Resolve 50+ client queries daily across chat, email and phone for B2B healthcare accounts, owning the full ticket lifecycle in Freshdesk.
- Sustain a sub-30-second first response and 15-minute resolution TAT, meeting SLA targets across a portfolio of 20+ client accounts.
- Earn an average CSAT of 4.6/5 by taking each issue through to closure and following up with clients after resolution.
- Brief clients proactively on status updates, service changes and policy revisions, reducing inbound follow-up volume by 20%.
- Identify recurring account-level issues and escalate them to cross-functional teams, driving process fixes that cut repeat queries by 15%.

Intervue.io | *Customer Success Intern, B2B SaaS (Post-Sales)* | Bengaluru Jan 2026 – Apr 2026

- Cultivated post-sales relationships across a portfolio of 25+ B2B clients through regular check-ins and account reviews with HR stakeholders.
- Led renewal and upsell conversations and surfaced expansion opportunities in existing accounts, contributing to a 45% renewal rate across the portfolio.
- Resolved 30+ client queries daily via chat and email, coordinating with internal teams to close escalations within 24 hours.
- Onboarded 15+ clients through tailored product walkthroughs, driving platform adoption and following up post-resolution to secure retention.

Assiduus Global | *Operations Trainee* | Bengaluru Jan 2025 – Jun 2025

- Processed 100+ purchase orders weekly across Amazon, Blinkit and Swiggy at 100% accuracy, cutting processing delays by 15% by aligning logistics and inventory teams.
- Audited 10,000+ US dropshipping listings against vendor sites (FragranceNet, Newegg), resolving 200+ data mismatches and reducing fulfillment errors by 20%.
- Optimized 1,200+ Shopify D2C product listings, contributing to a 25% lift in conversion rate.
- Partnered directly with Unilever International stakeholders on inventory planning and SKU-level analysis across 50+ SKUs, informing replenishment decisions.
- Managed day-to-day coordination for FMCG client accounts (HUL, Unilever International, Monin, Dabur) across B2B and D2C channels, tracking pipeline in Zoho CRM, HubSpot and Salesforce.
